2018 POOL INNOVATIONS TROPHIES AWARD CEREMONY

PISCINE GLOBAL EUROPE PUTS
INNOVATION IN THE SPOTLIGHT!

The award ceremony for the 2018 Pool Innovations Trophies took place on Tuesday 13 November at Lyon-Eurexpo during the Piscine Global Europe exhibition, the benchmark event for the pool and wellness sector. This competition awards prizes to the most remarkable innovations in the sector and showcases them to the profession throughout the exhibition in the Pool Innovations Promenade.

professionals, journalists and members of the jury attended the Pool Innovation Trophies award ceremony, bearing testament to the significance of this competition for the entire industry on an international scale.

PRESS RELEASE
November 2018

The contending innovations were divided into six categories:

POOL CONSTRUCTION

Construction / fitting: pool structures, construction processes and pool linings.

CLEAN POOL

Maintenance: filtration, maintenance equipment, water treatment systems.

POOL SAFETY

Protection / safety: safety equipment, winter protection equipment, safety for people.

SMART POOL

Smart products: public facility management, design and fitting.

WELLNESS

Fitness, sauna, hammam, traditional baths, equipment and solutions for therapeutic purposes.

OUTDOOR

Outdoor / living pool (outdoor development, garden decoration, paving, outdoor lighting systems and furniture): Equipment and accessories for public and private pools (accessories for pools, air handling systems, PA systems, heating / cooling / air conditioning systems, lighting systems).

From the 56 products entered for the competition this year, the jury of professionals from the sector selected six winners.
